#### Contract Information:

**EMarket is the first way to purchase with this vendor.** Any regular order sent to Purchasing not done through the EMarket system will be canceled. We will contact you to let you know the order was canceled (will show as canceled in Manage Requisitions also) and to go through EMarket to place order.

\***The P-Card is the second way to purchase from this vendor.** If the order is under \$50 and you have a p-card this is the way you should order. The web site for ordering with the p-card is <http://www.beckmancoulter.com>

\***Entering a requisition manually is the third way to order from this vendor.** If an item you are wanting to purchase is not in the EMarket system or if you are purchasing large volume of a single item you will need to manually enter a requisition.

\*Agreement Highlights: Sales and service directly from Beckman Coulter

Aggressive discounts off list price

Complete line of centrifuges and life science products

\*A discount percentage off the published manufacturer's list price is provided on all Beckman Coulter Life Science Products.
